

CSU DVM Curriculum Comparison Year 1

Please use the following template to compare the curriculum at your current school with the curriculum at Colorado State University. Only include information for the years/semesters under your desired transfer year. For example, if you wish to transfer into second-year, fall semester, you will complete the Year 1 comparison only. If you wish to transfer into second-year, spring semester, complete information for Year 1 and Year 2 fall semester.

CSU Course Name and Number	Equivalent Course(s) Name and Number	Description of Equivalent Course(s) including the number of credit hours for each course listed. Please indicate potential deficiencies.
VM 603 Veterinary Science Research and Methods (fall)
