VM 700A-VetReady: Practice, Progress, and Perform I

Sections of this course will be assigned to students and distributed over the summer. All students will receive this information via CSU Email accounts prior to the start of classes. The schedule on Page 2 shows specific sections that are color coded into 4 different groupings. Students will be assigned to any one of the 4 groupings.

Holidays and Break Schedules, no classes:

- Labor Day: 9/7/26
- Fall Recess (Thanksgiving): 11/23/26 – 11/27/26
- Winter Break Begins: 12/19/26

*****LATE REGISTRATION DISCLAIMER (Adding First Class/Adding after Add-deadline)***:**

A late registration charge of \$50, as well as other applicable tuition and fee charges, is assessed for adding the first course on or after the first day of classes -or- for late adds after the add/drop period. The \$50

Late Fee is [appealable](#) with extenuating circumstances.

Every effort is made to ensure timely registration. Please plan accordingly!

After completion of the registration process, double check your class schedule on RAMweb to be sure that you are registered for the appropriate courses.
