TERMS AND CONDITIONS OF BREEDING CONTRACT:

This agreement is by and between DeLancey Enterprises, LLC (Stallion owner) and mare owner as indicated:

1. **Any collection/shipping fee must be paid prior to shipping semen to the mare owner. NO EXCEPTIONS will be made.**
2. Only one breeder's certificate will be issue per paid breeding fee. Mare owner must contact stallion owner when mare foals.
3. The mare shall be in a healthy and sound breeding condition, free from infections, contagious or transmissible disease and all shots given for the health and protection of the mare and unborn foal. Mare must have a current negative Coggins test if mare is taken to Colorado State University Equine Reproduction Lab "CSU" for breeding.
4. This contract contains a "Live Foal Guarantee." A live foal is described as a newborn foal, which stands and nurses without assistance. If a foal is born dead, there are return privileges for the following breeding season only if Breeder is notified within 3 days and receives a veterinarian's statement confirming death. **A collection/shipping fee to "CSU" ranch applies for any rebreed. There will be no exceptions.**
5. If the mare owner fails to contact the stallion owner for a rebreed, the year immediately following, then any and all fees paid shall be forfeited. The right to a rebreed is canceled and this contract is terminated.
6. Mare owner agrees to have mare ultrasounded 14-17 after the last day of insemination and notify stallion owner of pregnancy status promptly. (Need this info for AQHA breeding report).
7. By signing this contract, mare owner certifies that he/she is the sole owner of the above-mentioned mare or has authority to enter into the contract on behalf of the owner. This Contract is non assignable. Breeder strongly recommends the Mare Owner carry full insurance on mare and/or foal.
8. Mare owner may not assign this contract this breeding contract or substitute any other mare under this agreement without stallion owners written permission. Any attempt at assignment without the consent of the stallion owner will terminate this agreement and release the stallion owner of any and all obligations.
9. A photocopy of mare's registration papers must be furnished with this contract.
10. It is understood that if the above stallion dies or becomes unfit for service, or is sold by the owner before a pregnancy, this contract shall become null and void (does not apply if the mare is in foal) and the breeding fee (less the booking fee) shall be refunded to the mare owner within 5

days of the contract being voided.

11. Embryo transfers: Mare owner agrees to notify stallion owner that this is an embryo transfer breeding. In the event that multiple, viable embryos are produced from a single flush, mare owner agrees to pay an additional breeding fee for each additional live foal.
12. Both parties agree that DeLancey Enterprises, LLC, the Breeder, their agents, or employees are not responsible for death, sickness and/ or accidents. Every attempt will be taken to deliver cooled or frozen semen to the mare owner in good condition, however once the shipment leaves CSU, DeLancey Enterprises, LLC and/or CSU cannot be held responsible for delayed arrival or condition of semen upon arrival to Mare Owner.
13. **Fiestas Dynasty will be participating in races and events in 2023. Every effort will be made to furnish cooled semen when requested by mare owner, however if he is not available to collect, mare owner has the option to have frozen semen shipped or wait until a time that he is available for a cooled semen shipment.**
14. This contract is entered into in the State of Wyoming and will be interpreted and enforced under the laws of the State of Wyoming. This Contract represents the entire agreement between the parties. No other agreements or promises, verbal or implied, are included unless specifically stated in the written Contract.
