

HICAHS Community Initiated Grant Report

A final written report must be submitted within 60 days after the end of the budget period. (See form below). This report should also document all products, presentations, and other projects that have resulted, in part, directly or indirectly from this award. You may receive follow-up calls to see if additional outcomes resulted from this project. Applicants might be asked to present their project at a HICAHS seminar.

The investigator must acknowledge support from the High Plains Intermountain Center for Agricultural Health and Safety in all publications and presentations resulting from the award. The HICAHS logo and a draft statement can be acquired from HICAHS staff.
