

	A	B	C
1	Name	Criteria	Application
2	DR. STEVEN AND TERESA AHRENHOLZ SCHOLARSHIP	1) Full-time Graduate enrolled in the Department of Environmental & Radiological Health Sciences within the College of Veterinary Medicine and Biomedical Sciences at Colorado State University 2) Pursuing a graduate degree in Environmental Health with a specialization in Industrial Hygiene or Occupational Ergonomics and Safety 3) Demonstrate academic excellence 4) Preference given to students who have a minimum of five years' work experience in the field of Environmental Health. (the scholarship may be renewable for a maximum of three additional years, if the recipient reapplies annually, continues to meet all criteria and is selected by the scholarship committee)	College of Vet Med and Biomedical Sciences
3	LISA MARIE CRAFT MEMORIAL GRADUATE SCHOLARSH	1) Enrolled in a graduate degree program in the Department of Biomedical Sciences in the College of Veterinary and Biomedical Sciences 2) Participate in teaching undergraduate students in labs offered by the Department of Biomedical Sciences 3) Demonstrate outstanding academic achievement 4) Show career promise in teaching, research or outreach in the veterinary medicine and biomedical sciences or health-related disciplines	College of Vet Med and Biomedical Sciences
4	JOE BIXLER AND ERICA SUCHMAN SCHOLARSHIP	1) Full-time undergraduate enrolled in the College of Veterinary Medicine and Biomedical Sciences at Colorado State University 2) Concentration in Microbiology 3) Minimum 2.5 GPA 4) Demonstrate financial need as established by the Office of Student Financial Services of Colorado State University 5) It is the Donors' intent that the scholarship is awarded to students who face significant financial hardship that interfere with the ability to complete a degree at CSU 6) Preference shall be given to students with a class status of sophomore 7) Preference shall be given to first-generation students or students from traditionally underrepresented populations (The scholarship shall be renewed as long as the recipient maintains a 2.5 GPA, reapplies annually, and does not exceed the maximum renewal period of 4 years)	College of Vet Med and Biomedical Sciences
5	MITZY H. YOUNT MEMORIAL SCHOLARSHIP	1) To an individual with a DVM degree who is engaged in postgraduate training	College of Vet Med and Biomedical Sciences
6	JAMES D. DeFIELD - ROY BUCHAN MEMORIAL SCHOLARSHIP	1) Student enrolled half-time or more in the Industrial Hygiene Graduate Program 2) Must have completed one full semester at CSU in the graduate program for industrial hygiene	College of Vet Med and Biomedical Sciences
7	DR. ROBERT AND NANCY PHILLIPS SCHOLARSHIP	1) In good standing within the College of Veterinary Medicine and Biomedical Sciences 2) academic emphasis on nutrition and/or the biochemical processes related to metabolism in humans or animals 3) demonstrate financial need as established by the Office of Financial Aid at Colorado State University 4) Primary consideration shall be given to a resident and/or postdoctoral DVM student 5) Secondary consideration to resident and/or postdoctoral Ph.D. student 6) third consideration to Ph.D. candidate	College of Vet Med and Biomedical Sciences
8	MORTIMER M. ELKIND CANCER RESEARCH MEMORIAL	1) Graduate students enrolled in the Department of Environmental and Radiological Health Sciences within the College of Veterinary Medicine and Biomedical Sciences at Colorado State University 2) Conducting cancer research with implications for humans	College of Vet Med and Biomedical Sciences

9	COLORADO ENVIRONMENTAL HEALTH ASSN (CEHA) SCHOLARSHIP	1) Junior or senior undergraduate student or graduate student enrolled in the College of Veterinary Medicine and Biomedical Sciences at Colorado State University 2) Pursuing a major or academic concentration in Environmental Health 3) Must demonstrate interest in environmental health issues by active participation in student Environmental Health Assn, Colorado Environmental Health Assn, and/or National Environmental Health Assn 4) Preference shall be given to students who demonstrate financial need as determined by the office of Financial Aid of Colorado State University	College of Vet Med and Biomedical Sciences
10	ELDON P. AND ELLA MAY SAVAGE SCHOLARSHIP	1) Full-time undergraduate student enrolled in CVMBS, Environmental and Radiological Health Sciences 2) Demonstrate an interest in the fields of Public Health, Epidemiology or Toxicology 3) Demonstrate financial need as established by the Office of Student Financial Services of CSU 4) Maintain an overall 3.2 GPA	College of Vet Med and Biomedical Sciences
	A	B	C
11	KENNETH D. BLEHM AND BARBARA R. BLEHM SCHOLARSHIP	1) Full-time undergraduate students enrolled in the College of Veterinary Medicine and Biomedical Sciences 2) Have residency in Colorado 3) Demonstrate academic excellence 4) Preference shall be given to students enrolled in the Department of Environmental and Radiological Health Sciences (Scholarship may be renewable if the recipient continues to meet all criteria, reapplies and is selected by the scholarship committee)	College of Vet Med and Biomedical Sciences
12	DR. ALAN TUCKER MEMORIAL SCHOLARSHIP	1) Undergraduates in the CVMBS majoring in Biomedical Sciences 2) Financial need 3) Good academic standing 4) Primary consideration to students who can contribute to the diversity of CVMBS and/or have first generation status	College of Vet Med and Biomedical Sciences
13	BEULAH and DOYLE BLAIR MEMORIAL SCHOLARSHIP	1) Senior enrolled as a major in Microbiology in the undergraduate program in the Department of Microbiology, Immunology and Pathology within the College of Veterinary Medicine and Biomedical Sciences at Colorado State University 2) Demonstrate financial need as established by the Office of Financial Aid 3) Good academic standing 4) Rising seniors with an interest in and aptitude for pursuing microbiology research 5) Preference to first-generation students 6) Preference to students from traditionally underrepresented populations (the scholarship shall be awarded at the end of the junior year)	College of Vet Med and Biomedical Sciences
14	ROBERT R. COOPER SCHOLARSHIP IN CVMBS	1) Enrolled in College of Veterinary Medicine and Biomedical Sciences 2) Major in Biomedical Sciences 3) Maintain a minimum overall 3.3 GPA 4) Have demonstrated financial need 5) Primary consideration given to a Colorado resident although residency is not a requirement (Recipients may reapply for scholarship as long as they continue to meet the established criteria)	College of Vet Med and Biomedical Sciences

15	DR. BOB TOOMBS MEMORIAL SCHOLARSHIP	1) DVM student enrolled in a graduate program with a specific emphasis on some phase or element of beef cattle production or health 2) Secondary consideration to student enrolled in a graduate program with a specific emphasis on some phase or element of beef cattle production or health	College of Vet Med and Biomedical Sciences
16	PAMELA HILL GRIFFITH MEMORIAL SCHOLARSHIP	1) Junior or Senior majoring in microbiology 2) Maintain academic good standing 3) Demonstrate financial need 4) Provide service to the Dept. of Microbiology, e.g. membership in the Microbiology/Medical Tech. Club	College of Vet Med and Biomedical Sciences
17	STEVEN J. MAHERAS FAMILY SCHOLARSHIP	1) Enrolled in the Department of Environmental and Radiological Health Sciences within the College of Veterinary Medicine and Biomedical Sciences 2) Major in Radiological Health with Health Physics or Medical Health Physics Specializations (Scholarship may be renewable if the recipient continues to meet all criteria, reapplies annually and is selected by the scholarship committee)	College of Vet Med and Biomedical Sciences
18	BIOMEDICAL SCIENCES SCHOLARSHIP	1) Full-time undergraduate in College of Veterinary Medicine and Biomedical Sciences 2) Major in Biomedical Sciences 3) Any class level 4) Overall 3.0+ GPA 5) For entering freshmen selection is based on their high school grades and ACT or SAT scores	College of Vet Med and Biomedical Sciences
19	DR. MARK A. GEARHART MEMORIAL SCHOLARSHIP	1) Graduate student in the Professional Veterinary Medical Program of the College of Veterinary Medicine and Biomedical Sciences 2) Demonstrate financial need as established by the Office of Student Financial Services of CSU 3) Admitted to the food animal medicine program (The same recipient shall not be eligible to receive the scholarship for more than two consecutive years)	College of Vet Med and Biomedical Sciences
20	IRIS HANDA MEMORIAL SCHOLARSHIP	1) Undergraduate enrolled in the department of Biomedical Sciences within the College of Veterinary Medicine and Biomedical Sciences at Colorado State University	College of Vet Med and Biomedical Sciences
21	BARBARA JOYCE MICROBIOLOGY SCHOLARSHIP	1) Undergraduate Microbiology major 2) Financial need 3) Minimum 3.3 GPA having completed a minimum of 36 credits 4) Demonstrated academic achievement, involvement in outside activities, and interest in a career in human medicine	College of Vet Med and Biomedical Sciences
22	KIRKE L. MARTIN MEMORIAL SCHOLARSHIP	1) Must be a graduate student 2) Must be involved in the application of results from environmental health or microbiology research 3) Has a demonstrated financial need 4) Must be in good academic standing with CSU	College of Vet Med and Biomedical Sciences
23	SUMNER M. MORRISON MEMORIAL SCHOLARSHIP	1) Full-time Microbiology major with a minimum 3.0 GPA for use in the senior year 2) Based on involvement in outside activities and potential for achievement in graduate study in microbiology and/or a related science.	College of Vet Med and Biomedical Sciences
24	MORTIMER/BEEF TODAY/ELANCO SCHOLARSHIP	1) Graduate student specializing in production agriculture in the College of Veterinary Medicine and Biomedical Sciences 2) Pursuing a master's degree or Ph.D. and be a veterinarian in graduate training beef production management	College of Vet Med and Biomedical Sciences
	A	B	C
25	CSU RADIATION HEALTH SCHOLARSHIP	1) Enrolled as full-time graduate students in the Department of Environmental and Radiological Health Sciences in the College of Veterinary Medicine and Biomedical Sciences 2) Demonstrate financial need as established by the Office of Student Financial Services of CSU 3) Be in good academic standing 4) Demonstrate an intention to enter radiation health, health physics, radioecology or radiation biology as a career	College of Vet Med and Biomedical Sciences

26	URANIUM ENERGY CORPORATION ("UEC") HEALTH P	1) Outstanding full-time students enrolled in the Radiological Health Sciences program with a concentration in Health Physics 2) Maintain a minimum overall 3.5 GPA 3) Preference shall be given to a student who demonstrates financial need as established by the Office of Financial Aid (Scholarship shall be renewable if recipient continues to meet all criteria)	College of Vet Med and Biomedical Sciences
27	MICROBIOLOGY UNDERGRADUATE SCHOLARSHIP	1) Full-time undergraduate in College of Veterinary Medicine and Biomedical Sciences 2) Major in Microbiology 3) Any class level 4) Overall 3.0+ GPA 5) For entering freshmen selection is based on their high school grades and ACT or SAT scores (Students are eligible for renewal for three consecutive years if requirements are maintained)	College of Vet Med and Biomedical Sciences
28	JOYCE MEMORIAL SCHOLARSHIP	1) Enrolled in the Department of Microbiology within the College of Veterinary Medicine and Biomedical Sciences at Colorado State University	College of Vet Med and Biomedical Sciences
29	ROLAND AND GINNY WILSON GRADUATE SCHOLARSHI	1) Enrolled in a graduate degree program (MS or PhD) in the College of Veterinary Medicine and Biomedical Sciences at Colorado State University 2) Pursue studies that focus on cattle health/management/production issues 3) be in good academic standing 4) Demonstrate financial need as established by the Office of Financial Services of Colorado State University 5) Preference shall be a student in the Integrated Livestock Management Program whose studies focus on cattle production and health issues. (The scholarship may be renewable if the recipient reapplies, continues to meet all criteria and is selected by the committee)	College of Vet Med and Biomedical Sciences
30	MARK AND NANCY DEWHIRST SCHOLARSHIP	1) Graduate student enrolled in the Department of Environmental & Radiological Health Sciences within the College of Veterinary Medicine and Biomedical Sciences at Colorado State University 2) Be an outstanding student pursuing studies in Radiation Cancer Biology & Oncology 3) Preference shall be given to candidates who demonstrate an emphasis on heavy ion cancer radio biology	College of Vet Med and Biomedical Sciences
31	FLOYD CROSS MEMORIAL SCHOLARSHIP	1) Graduate student in the College of Veterinary Medicine and Biomedical Sciences 2) Based on innovativeness, partiality to sciences (especially pathology), and enthusiasm for chosen field	College of Vet Med and Biomedical Sciences
32	ENVIRONMENTAL HEALTH SCHOLARSHIP	1) Full-time undergraduate student in College of Veterinary Medicine and Biomedical Sciences 2) Any class level in Environmental Health 3) Selection based on high school GPA as well as College Entrance Examination scores (ACT or SAT for entering freshmen) 4) Maintain a minimum 3.0 GPA (Recipient(s) shall be eligible for renewal for three consecutive years if all criteria requirements continue to be met)	College of Vet Med and Biomedical Sciences
33	REGINALD L. GOTCHY, Ph.D. AND DAVID E. McCURDY,	1) Graduate student enrolled in Environmental and Radiological Health Sciences 2) Financial need 3) Good academic standing	College of Vet Med and Biomedical Sciences
34	F. BING JOHNSON, M.D. SCHOLARSHIP IN MICROBIOLO	1) Full-time undergraduate student enrolled in College of Veterinary Medicine and Biomedical Sciences 2) Major in Microbiology 3) Demonstrate financial need as established by the Office of Student Financial Services of CSU 4) Good academic standing 5) Preference shall be given to Colorado residents (Scholarship may be renewable if the recipient(s) reapplies and continues to meet all required criteria)	College of Vet Med and Biomedical Sciences

35	KINGMAN ILM FUND	1) ILM graduate student 2) Financial need 3) Exhibits a sincere commitment to professional work in Livestock Production Systems	College of Vet Med and Biomedical Sciences
36	DARYL THOMAS BELFIELD AND BARBARA BELFIELD SCH	1) Full or part-time graduate or undergraduate enrolled in the College of Veterinary Medicine and Biomedical Sciences	
37	MARK FRASIER SCHOLARSHIP	1) Students enrolled in the College of Veterinary Medicine and Biomedical Sciences 2) Enrolled in the MSPro program with a concentration in human anatomy
